Educational Leadership Substitutions							

As this is a cohort-based program, all courses must be taken in the sequence prescribed. Cohort # _____

All candidates must designate their school/district certified professional educational leadership position, hold nonrenewable or renewable L-5 certification, and obtain their school district superintendent's signature on the Internship Agreement prior to entering the program. Superintendents may petition the GaPSC for candidate admission to a Ed.S. Leadership program. After completion of all Ed.S. coursework, the candidate will be endorsed for the PL-6 in Leadership.

This degree leads to initial certification for school principals, district superintendents and other district staff who supervise principals.
